**RSVP: 21.03.2023**

## Agenda:

1. How does the Polish Sanctions Law fit within the EU sanctions regime?
2. The reach of the Polish Sanctions Law – is it extraterritorial?
3. What is the Polish list of sanctioned entities and what are the consequences of listing?
4. What administrative and criminal penalties for infringement of sanctions apply under Polish law?
5. How do the sanctions impact your business transactions with partners in Poland?

During the meeting we will analyse the sanctions law based on the actual examples we have faced in our practice. Our webinar is addressed to foreign investors operating in Poland, law firms as well as financial and compliance departments which deal with transaction on the Polish market.

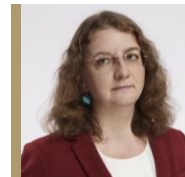

*Participation is free of charge*
